

Ohio Revised Code

Section 511.27 Tax levy to defray expenses of park district.

Effective: September 13, 2022

Legislation: House Bill 140

(A) To defray the expenses of the township park district and for purchasing, appropriating, operating, maintaining, and improving lands for parks or recreational purposes, the board of park commissioners may levy a sufficient tax within the ten-mill limitation, not to exceed one mill on each dollar of taxable value on all real and personal property within the township, and on all real and personal property within any municipal corporation that is within the township, that was within the township at the time that the park district was established, or the boundaries of which are coterminous with or include the township. The levy shall be over and above all other taxes and limitations on such property authorized by law.

(B) Except as otherwise provided in division (C) of this section, the board of park commissioners, not less than ninety days before the day of the election, may declare by resolution that the amount of taxes that may be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the necessary requirements of the district and that it is necessary to levy a tax in excess of that limitation for the use of the district. The resolution shall specify the information required for a resolution adopted under division (B)(1) of section 5705.03 of the Revised Code. Upon the adoption of the resolution, the board shall certify the resolution to the county auditor, who shall certify to the board the information required under division (B)(2) of that section in the manner provided in that division. Upon receipt of that certification, the question of levying the taxes shall be submitted to the electors of the township and the electors of any municipal corporation that is within the township, that was within the township at the time that the park district was established, or the boundaries of which are coterminous with or include the township, at a special election to be held on whichever of the following occurs first:

(1) The day of the next ensuing general election;

(2) The first Tuesday after the first Monday in May of any calendar year, except that, if a presidential primary election is held in that calendar year, then the day of that election.

The rate submitted to the electors at any one election shall not exceed two mills annually upon each dollar of taxable value. If a majority of the electors voting upon the question of the levy vote in favor of the levy, the tax shall be levied on all real and personal property within the township and on all real and personal property within any municipal corporation that is within the township, that was within the township at the time that the park district was established, or the boundaries of which are coterminous with or include the township, and the levy shall be over and above all other taxes and limitations on such property authorized by law.

(C) In any township park district that contains only unincorporated territory, if the township board of park commissioners is appointed by the board of township trustees, before a tax can be levied and certified to the county auditor pursuant to section 5705.34 of the Revised Code or before a resolution for a tax levy can be certified to the board of elections pursuant to section 511.28 of the Revised Code, the board of park commissioners shall receive approval for its levy request from the board of township trustees. The board of park commissioners shall adopt a resolution requesting the board of township trustees to approve the levy request, stating the annual rate of the proposed levy and the reason for the levy request. On receiving this request, the board of township trustees shall vote on whether to approve the request and, if a majority votes to approve it, shall issue a resolution approving the levy at the requested rate.
