

Ohio Revised Code

Section 5101.148 No unnecessarily removal of children from certified foster homes.

Effective: October 5, 2000

Legislation: House Bill 448

If the department of job and family services sanctions a public children services agency, private child placing agency, or private noncustodial agency, it shall take every possible precaution to ensure that any foster children that have been placed by the agency under sanction are not unnecessarily removed from the certified foster homes in which they reside.
