

## Ohio Revised Code

### Section 5119.334 Notice of adverse action - hospitals.

Effective: October 3, 2023

Legislation: House Bill 33 - 135th General Assembly

---

(A) As used in this section, "adverse action" means an action by a state, provincial, federal, or other licensing or regulatory authority to deny, revoke, suspend, place on probation, or otherwise restrict a license, certificate, or other approval to operate a hospital or practice a health care profession.

(B)(1) When submitting an application for initial or renewed licensure of a hospital under section 5119.33 of the Revised Code, the applicant shall notify the department of mental health and addiction services of any adverse action taken against the hospital or the hospital's owner, sponsor, medical director, administrator, or any of its principals within the three-year period immediately preceding the date of application.

(2) Not later than seven days after receiving a notice of adverse action from a licensing or regulatory authority that is other than the department of mental health and addiction services, the holder of a hospital license issued under section 5119.33 of the Revised Code shall notify the department of the action.

(C) To notify the department as required by this section, a copy of the notice of adverse action shall be provided to the department.
