

Ohio Revised Code

Section 5120.051 Mentally ill and persons with intellectual disabilities who are incarcerated.

Effective: April 6, 2023

Legislation: House Bill 281

The department of rehabilitation and correction shall provide for the needs of persons with mental illnesses and persons with intellectual disabilities who are incarcerated in state correctional institutions. The department may designate an institution or a unit within an institution for the custody, care, special training, treatment, and rehabilitation of persons with mental illnesses or persons with intellectual disabilities.
