

## Ohio Revised Code

### Section 5120.23 Estimates of required supplies.

Effective: July 1, 1987

Legislation: House Bill 171 - 117th General Assembly

---

(A) The department of rehabilitation and correction shall require proper officials of the state and its political subdivisions and of the institutions of the state and its political subdivisions, to report estimates for the ensuing year of the amount of supplies required by them, of the kinds that are produced by the state correctional and penal institutions. It may make rules for the reports and provide the manner in which the estimates shall be made.

(B) Any money that is received by the department of rehabilitation and correction from the state and its political subdivisions, any other state and its political subdivisions, the United States, or private persons for products and services produced by the state correctional and penal institutions shall be deposited in the services and agricultural fund or the Ohio penal industries manufacturing fund created pursuant to section 5120.29 of the Revised Code and shall be used and accounted for as provided in that section.
