

Ohio Revised Code

Section 5123.371 Payment to director after sale of facility.

Effective: October 6, 2009

Legislation: Senate Bill 79 - 128th General Assembly

If the director of developmental disabilities approves an application submitted under section 5123.37 of the Revised Code, the county board of developmental disabilities or private, nonprofit agency that submitted the application shall, after selling the facility for which the county board or agency received approval to sell, pay to the director the portion of the proceeds that equals the amount that the director determines the county board or agency owes the department of developmental disabilities, including the department's security interest in the facility, for the state funds used to acquire the facility.
