

Ohio Revised Code

Section 5123.53 Petitioning for removal from registry.

Effective: October 6, 2009

Legislation: Senate Bill 79 - 128th General Assembly

An individual who is included in the registry may petition the director of developmental disabilities for removal from the registry. If the director determines that good cause exists, the director shall remove the individual from the registry and may properly reply to an inquiry that the individual is not included in the registry. Good cause includes meeting rehabilitation standards established in rules adopted under section 5123.54 of the Revised Code.
