

## Ohio Revised Code

### Section 5123.621 Legislative intent regarding adult day services.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

---

It is the intent of the general assembly that all individuals being served on the effective date of this section through the array of adult day services that exists on that date, including services delivered in a sheltered workshop, be fully informed of any new home and community-based services and their option to receive those services. It is also the intent of the general assembly that those individuals be permitted to continue receiving services in a variety of settings as long as those settings offer opportunities for community integration as described in their individual service plans.
