

Ohio Revised Code

Section 5126.0222 Employee of county board of developmental disabilities may be member of governing board of political subdivision.

Effective: September 24, 2012

Legislation: Senate Bill 316 - 129th General Assembly

As used in this section, "specialized services" has the same meaning as in section 5123.081 of the Revised Code.

Notwithstanding any provision of the Revised Code to the contrary, including applicable provisions of sections 102.03, 102.04, 2921.42, and 2921.43 of the Revised Code, an employee of a county board of developmental disabilities also may be a member of the governing board of a political subdivision, including the board of education of a school district, or an agency that does not provide specialized services. The county board may contract with such a governing board even though the governing board includes an individual who is an employee of the county board. That member of the governing board may not vote on any matter before the governing board concerning a contract with the county board or participate in any discussion or debate regarding such a contract.
