

Ohio Revised Code

Section 5126.47 Joint county residential services consortium.

Effective: October 6, 2009

Legislation: Senate Bill 79 - 128th General Assembly

A county board of developmental disabilities may, pursuant to a resolution adopted by an affirmative vote of the majority of its members, establish, by agreement with one or more other county boards of developmental disabilities, a residential services consortium to jointly provide residential services and supported living. The agreement shall designate one board to assume the fiscal responsibilities for the consortium. The county auditor of the designated county shall establish a community developmental disabilities residential services fund for the consortium. Each board that is a member of the consortium shall cause to be deposited in the fund any state or federal money received for community residential services the county board has agreed to contribute to the consortium.
