

Ohio Revised Code

Section 5145.17 Contracts for sale of roadmaking materials.

Effective: July 1, 1987

Legislation: House Bill 171 - 117th General Assembly

(A) The department of rehabilitation and correction may make contracts for the sale of roadmaking materials prepared by prisoners pursuant to section 5145.15 of the Revised Code with any department, public institution, or subdivision of the state or with any person and for furnishing and delivering the roadmaking material for use upon the appropriate roads, streets, and highways.

(B) Any money received for roadmaking materials prepared by prisoners shall be deposited into the Ohio penal industries manufacturing fund created pursuant to section 5120.29 of the Revised Code and shall be used and accounted for as provided in that section.
