

Ohio Revised Code

Section 5160.11 State health care grants fund.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

The state health care grants fund is hereby created in the state treasury. Money the department of medicaid receives from private foundations in support of pilot projects that promote exemplary programs that enhance programs the department administers shall be credited to the fund. The department may expend the money on such projects, may use the money, to the extent allowable, to match federal financial participation in support of such projects, and shall comply with requirements the foundations have stipulated in their agreements with the department as to the purposes for which the money may be expended.
