

## Ohio Revised Code

### Section 5164.721 Claims by freestanding birthing centers.

Effective: April 6, 2017

Legislation: Senate Bill 332 - 131st General Assembly

---

A hospital or freestanding birthing center that is a medicaid provider may submit to the department of medicaid or the department's fiscal agent a medicaid claim that is both of the following:

- (A) For a long-acting reversible contraceptive device that is covered by medicaid and provided to a medicaid recipient during the period after the recipient gives birth in the hospital or center and before the recipient is discharged from that location ;
  - (B) Separate from another medicaid claim for other inpatient care the hospital or center provides to the medicaid recipient.
-
