

## Ohio Revised Code

### Section 5164.756 Drug rebate agreement or supplemental drug rebate agreement for medicaid program not subject to public records law.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

---

Any record, data, pricing information, or other information regarding a drug rebate agreement or a supplemental drug rebate agreement for the medicaid program that the department of medicaid receives from a pharmaceutical manufacturer or creates pursuant to negotiation of the agreement is not a public record under section 149.43 of the Revised Code and shall be treated by the department as confidential information.
