

Ohio Revised Code

Section 5165.47 Claim for medicaid payment for service provided to nursing facility resident.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

No person, other than a nursing facility provider, shall submit a claim for medicaid payment for a service provided to a nursing facility resident if the service is included in a medicaid payment made to the nursing facility provider under this chapter or in the allowable expenses reported on a provider's cost report for a nursing facility. No nursing facility provider shall submit a separate claim for medicaid payment for a service provided to a resident of the nursing facility if the service is included in a medicaid payment made to the provider under this chapter or in the allowable expenses on the provider's cost report for the nursing facility.
