

Ohio Revised Code

Section 5165.73 Uncorrected deficiencies constituting severity level three and scope level three or four findings.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

If the department of health cites a deficiency, or cluster of deficiencies, that was not substantially corrected before a survey and constitutes a severity level three and scope level three or four finding, the department of medicaid or a contracting agency may, subject to sections 5165.82 and 5165.83 of the Revised Code, impose one or more of the following remedies:

(A) Do either of the following:

(1) Issue an order denying medicaid payments to the facility for all medicaid eligible residents admitted after the effective date of the order;

(2) Impose a fine.

(B) Issue an order denying medicaid payments to the facility for medicaid eligible residents admitted after the effective date of the order who have certain diagnoses or special care needs specified by the department or agency;

(C) Issue an order requiring the facility to correct the deficiency or cluster of deficiencies under the plan of correction submitted by the facility and approved by the department of health under section 5165.69 of the Revised Code.
