

Ohio Revised Code

Section 5166.306 Nursing assistance by home care attendants; written statement providing consent.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

To consent to a home care attendant assisting a consumer with nursing tasks or self-administration of medication, the consumer or consumer's authorized representative shall provide the appropriate director a written statement signed by the consumer or authorized representative under which the consumer or authorized representative consents to both of the following:

- (A) Having the attendant assist the consumer with nursing tasks or self-administration of medication;
 - (B) Assuming responsibility for directing the attendant when the attendant assists the consumer with nursing tasks or self-administration of medication.
-
