

Ohio Revised Code

Section 5309.13 Record and index of applications.

Effective: January 30, 2014

Legislation: House Bill 72 - 130th General Assembly

After the filing of the application to register the title to land or to any interest therein and before registration, the land described in such application may be dealt with and instruments relating thereto may be recorded and indexed, in the same manner as if no such application had been filed. As soon as an application is disposed of, the clerk of the probate court or the clerk of the court of common pleas shall make a memorandum stating the disposition of the case and shall send it to the county recorder, who shall record it in the official records.
