

## Ohio Revised Code

### Section 5310.33 Costs and benefits of maintaining land registration system.

Effective: February 28, 1991

Legislation: House Bill 161 - 118th General Assembly

---

After adopting a resolution to consider the merits of abolishing land registration, the board of county commissioners shall collect evidence with regard to the costs and benefits of maintaining a land registration system in the county. The board shall collect the evidence by means of a public hearing, and by means of independent studies, investigations, interviews, surveys, and other research that it conducts or causes to be conducted. The board shall conduct the public hearing as provided in section 5310.35 of the Revised Code.
