

Ohio Revised Code

Section 5501.81 Crossing or relocation of facility.

Effective: June 29, 2011

Legislation: House Bill 114 - 129th General Assembly

An operator under sections 5501.70 to 5501.83 of the Revised Code and any utility whose facility is to be crossed or relocated shall cooperate fully in planning and arranging the manner of the crossing or relocation of the utility facility.
