(2) The procedure to be followed by a member to inform the member's employer and the system that the member wishes to purchase service credit under this chapter or pay for participation in programs established under section 5505.33 of the Revised Code through payroll deduction;

(3) The procedure to be followed by the system and employers to determine for each request the amount to be deducted, the number of deductions to be made, and the interval at which deductions will be made.
