

Ohio Revised Code

Section 5505.33 Long-term care insurance programs.

Effective: March 23, 2015

Legislation: Senate Bill 42 - 130th General Assembly

(A) As used in this section:

(1) "Long-term care insurance" has the same meaning as in section 3923.41 of the Revised Code.

(2) "Retirement systems" has the same meaning as in division (A) of section 145.581 of the Revised Code.

(B) The state highway patrol retirement board may establish a program under which members of the retirement system, employers on behalf of members, and persons receiving service or disability pensions or survivor benefits are permitted to participate in contracts for long-term care insurance. Participation may include dependents and family members. If a participant in a contract for long-term care insurance leaves employment, the person and the person's dependents and family members may, at their election, continue to participate in a program established under this section in the same manner as if the person had not left employment, except that no part of the cost of the insurance shall be paid by the person's former employer. Such program may be established independently or jointly with one or more of the retirement systems.

(C) The board may enter into an agreement with insurance companies, health insuring corporations, or government agencies authorized to do business in the state for issuance of a long-term care insurance policy or contract. However, prior to entering into such an agreement with an insurance company or health insuring corporation, the board shall request the superintendent of insurance to certify the financial condition of the company or corporation. The board shall not enter into the agreement if, according to that certification, the company or corporation is insolvent, is determined by the superintendent to be potentially unable to fulfill its contractual obligations, or is placed under an order of rehabilitation or conservation by a court of competent jurisdiction or under an order of supervision by the superintendent.

(D) The board may adopt rules in accordance with section 111.15 of the Revised Code governing the

program. Any rules adopted by the board shall establish methods of payment for participation under this section, which may include establishment of a payroll deduction plan under section 5505.203 of the Revised Code, deduction of the full premium charged from a person's service or disability pension or survivor benefit, or any other method of payment considered appropriate by the board. If the program is established jointly with one or more of the other retirement systems, the rules also shall establish the terms and conditions of such joint participation.
