

Ohio Revised Code

Section 5527.03 Use of funds for lighting and safety purposes.

Effective: September 28, 1973

Legislation: House Bill 200 - 110th General Assembly

Funds derived from the state's share of the motor vehicle fuel taxes and the highway use tax may be used areas, and elsewhere on state highways where in the discretion by the director of transportation for the purpose of lighting limited access interchanges, roadway parks and rest of the director lighting is needed for informational purposes or to alert the traveling public of unusual roadway hazards.
