

Ohio Revised Code

Section 5543.08 Assistance of director of transportation.

Effective: September 28, 1973

Legislation: House Bill 200 - 110th General Assembly

The county engineer may request advice and assistance from the director of transportation in all matters relating to the duties of such engineer. In so far as the highways, bridges, and culverts under the control of the state are concerned, the engineer shall be governed, in the conduct of his work, by the instructions of the director, as issued for the guidance of engineers.
