

Ohio Revised Code

Section 5902.21 Program to assist receipt of federal military-related health care benefits.

Effective: March 23, 2016

Legislation: Senate Bill 10 - 131st General Assembly

The director of veterans services shall develop, institute, and monitor a program under which the department of veterans services assists individuals, who are medical assistance recipients, to obtain federal military-related health care benefits. As used in this section, "federal military-related health care benefits" has the meaning defined in section 5160.471 of the Revised Code.
