

## Ohio Revised Code

### Section 6103.03 Authority of county commissioners as to facilities within a municipal corporation.

Effective: March 12, 2001

Legislation: House Bill 549 - 123rd General Assembly

---

The authority of a board of county commissioners to acquire, construct, maintain, and operate water supply facilities for a county sewer district in territory of a municipal corporation, or a regional district established under Chapter 6119. of the Revised Code, that is in whole or in part within the county sewer district is the same as provided by law with respect to territory within a county sewer district that is wholly outside a municipal corporation or a regional district, subject to the following in the case of facilities within a municipal corporation:

- (A) The acquisition, construction, maintenance, and operation of the facilities shall first be authorized by an ordinance or resolution of the legislative authority of the municipal corporation.
  
  - (B) All road surfaces, curbs, sidewalks, sewers, water supply facilities, or other public improvements or property that may be disturbed or damaged by the construction of the facilities shall be replaced or restored within a reasonable time by the county, and the cost shall be treated as a part of the cost of the facilities.
  
  - (C) The municipal corporation, with prior approval of or by agreement with the board, may make use of the facilities in accordance with rules established by the board and subject to any applicable requirements of the director of environmental protection.
-
