

Ohio Revised Code

Section 6109.11 Investigation of complaints of impure water.

Effective: December 14, 1978

Legislation: Senate Bill 445 - 112th General Assembly

Whenever any person files with the environmental protection agency a complaint, in writing, setting forth that it is believed that water provided by a public water system is impure and dangerous to health or does not contain quantities of fluoride as required by section 6109.20 of the Revised Code, the director of environmental protection shall forthwith inquire into and investigate the conditions contained in the complaint.
