

## Ohio Revised Code Section 718.25 Rounding of amounts.

Effective: March 23, 2015

Legislation: House Bill 5 - 130th General Assembly

---

A person may round to the nearest whole dollar all amounts the person is required to enter on any return, report, voucher, or other document required under this chapter. Any fractional part of a dollar that equals or exceeds fifty cents shall be rounded to the next whole dollar, and any fractional part of a dollar that is less than fifty cents shall be dropped. If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document.
