

Ohio Revised Code

Section 905.37 Statement and reports by director.

Effective: June 30, 2005

Legislation: House Bill 66 - 126th General Assembly

(A) The director of agriculture may distribute annual statements of fertilizer sales by grades of materials and mixed fertilizer by counties, in a manner prescribed by the director.

(B) The director may publish annually a report of the analysis of fertilizers inspected.

(C) The director may distribute a state fertilizer usage report by grade of materials and mixed fertilizers for each month.
