

Ohio Revised Code Section 921.14 Records.

Effective: July 1, 2004

Legislation: Senate Bill 217 - 124th General Assembly

(A) Each commercial applicator shall keep a record of both of the following:

(1) All diagnostic inspections conducted to determine infestations of pests as required by rules adopted under division (C) of section 921.16 of the Revised Code;

(2) All pesticide applications made by the applicator and by any trained serviceperson acting under the applicator's direct supervision as required by rules adopted under division (C) of section 921.16 of the Revised Code.

Each commercial applicator shall submit copies of the records required under division (A) of this section to the pesticide business, other business, state agency, or political subdivision that employs the commercial applicator.

(B) Each pesticide business, other business, state agency, or political subdivision that receives copies of records under division (A) of this section shall retain them for a period of time established by rule.

(C) Each private applicator shall keep a record of all restricted use pesticide applications made by the applicator or under the applicator's direct supervision as required by rules adopted under division (C) of section 921.16 of the Revised Code. In addition, each private applicator shall maintain the record for a period of three years from the date of the restricted use pesticide application to which that record refers or for any longer period that the director of agriculture determines necessary.
