

Ohio Revised Code

Section 925.07 Right of entry for inspection of premises.

Effective: June 20, 1994

Legislation: Senate Bill 134 - 120th General Assembly

In the administration of sections 925.01 to 925.13 of the Revised Code, the director of agriculture or his designee, on any business day and during normal business hours, may enter and inspect any premises where shell eggs are produced, processed, stored, or sold, offered for sale, or exposed for sale as is necessary to determine compliance with sections 925.02 to 925.13 and applicable rules adopted under section 925.06 of the Revised Code.
