

Ohio Revised Code

Section 927.61 Certificate of inspection.

Effective: July 27, 1990

Legislation: House Bill 571 - 118th General Assembly

(A) The director of agriculture shall issue to each nurseryman, after the stock in his nursery has been officially inspected and found to be apparently free from injurious or harmful pests and after payment of the fees required by section 927.53 of the Revised Code, a certificate setting forth the fact of such inspection. The certificate is valid not to exceed one year from the first day of January following the filing of the application provided for in section 927.60 of the Revised Code.

(B) No person shall sell, offer for sale, or remove or ship from a nursery or other premises, any nursery stock unless such stock has been officially inspected and a valid certificate has been issued by the director.
