"Agricultural production" includes conservation practices, provided that the tracts, lots, or parcels of land or portions thereof that are used for conservation practices comprise not more than twenty-five per cent of tracts, lots, or parcels of land that are otherwise devoted exclusively to agricultural use and for which an application is filed under section 929.02 of the Revised Code.

(B) "Withdrawal from an agricultural district" includes the explicit removal of land from an agricultural district, conversion of land in an agricultural district to use for purposes other than agricultural production, and withdrawal of land from a land retirement or conservation program to use for purposes other than agricultural production. Withdrawal from an agricultural district does not include land described in division (A)(3) of section 5713.30 of the Revised Code.
