

Ohio Revised Code

Section 4715.11 Standards and examination.

Effective: March 20, 2019

Legislation: Senate Bill 259 - 132nd General Assembly

In the state dental board's implementation of section 4715.10 of the Revised Code, all of the following apply:

(A) The board shall adopt rules establishing standards that must be met by graduates of unaccredited dental colleges located outside the United States. The standards must reasonably assure that the graduates have received a level of education and training equal to that provided by accredited dental colleges.

(B) The board shall adopt rules governing the basic sciences and laboratory examination required by division (E)(1) of section 4715.10 of the Revised Code.
