

Ohio Revised Code

Section 4723.071 Administrative rules for nursing delegation as it applies to DD personnel who administer prescribed medications, perform health-related activities, and perform tube feedings.

Effective: October 12, 2016

Legislation: House Bill 483, House Bill 158 - 131st General Assembly

(A) As used in this section, "health-related activities" and "developmental disabilities personnel" have the same meanings as in section 5123.41 of the Revised Code.

(B) The board of nursing shall adopt rules as it considers necessary to govern nursing delegation as it applies to developmental disabilities personnel who administer medications and perform health-related activities pursuant to the authority granted under section 5123.42 of the Revised Code. The board shall not establish in the rules any requirement that is inconsistent with the authority of developmental disabilities personnel granted under that section. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

(C) The board may accept complaints from any person or government entity regarding the performance or qualifications of developmental disabilities personnel who administer medications and perform health-related activities pursuant to the authority granted under section 5123.42 of the Revised Code. The board shall refer all complaints received to the department of developmental disabilities. The board may participate in an investigation of a complaint being conducted by the department under section 5123.421 of the Revised Code.
