

Ohio Revised Code

Section 4729.07 License application - examination.

Effective: February 12, 2001

Legislation: Senate Bill 172 - 123rd General Assembly

An individual desiring to be licensed as a pharmacist shall file with the executive director of the state board of pharmacy a verified application giving such information as the board requires. An application filed under this section may not be withdrawn without the approval of the board.

Each applicant shall take an examination to determine fitness to practice pharmacy. Examinations of those applying for licensure as pharmacists shall be held at such times, during each year, and at such places as the board determines. The board may use all or any part of the licensure examination of the national association of boards of pharmacy or any other national standardized pharmacy examination that it considers appropriate. The board may require applicants to purchase the examination and any related materials from the organization providing it.
