

Ohio Revised Code

Section 4737.12 Determining unzoned industrial areas adjacent to interstate and primary systems.

Effective: September 28, 1973

Legislation: House Bill 200 - 110th General Assembly

The director of transportation shall develop standards for determining and shall determine unzoned industrial areas adjacent to the interstate and primary systems pursuant to such standards. Such standards shall recognize the factors customarily considered in zoning areas as industrial, provided that they are consistent with the national policy for the control of junk yards.
