

Ohio Revised Code

Section 4758.44 Prevention consultant certificate requirements.

Effective: September 28, 2016

Legislation: House Bill 230 - 131st General Assembly

An individual seeking a prevention consultant certificate shall meet the requirements of division (A) or (B) of this section.

(A) To meet the requirements of this division, an individual must meet all of the following requirements:

(1) Have at least the number of hours specified in rules adopted under section 4758.20 of the Revised Code of compensated work experience in prevention services, including at least the number of hours specified in those rules of administering or supervising the services;

(2) Hold from an accredited educational institution at least a bachelor's degree in a field of study specified in rules adopted under section 4758.20 of the Revised Code;

(3) Have at least the number of hours specified in rules adopted under section 4758.20 of the Revised Code of prevention-related education that meets the requirements specified in those rules;

(4) Have at least the number of hours specified in rules adopted under section 4758.20 of the Revised Code of administrative or supervisory education;

(5) Pass one or more examinations administered pursuant to section 4758.22 of the Revised Code for the purpose of determining competence to practice as a prevention consultant.

(B) To meet the requirement of this division, an individual must hold, on December 23, 2002, a certificate or credentials that were accepted under former section 3793.07 of the Revised Code as authority to practice as a certified prevention specialist II.
