

## Ohio Revised Code

### Section 4769.05 Health care records.

Effective: January 14, 1993

Legislation: House Bill 478 - 119th General Assembly

---

(A) Health care practitioners and their employers shall make available to the department of health to inspect and copy, medical, professional, financial, and business records that are reasonably related to determining whether the practitioner or employer has violated section 4769.02 of the Revised Code.

(B) No person shall fail to comply with division (A) of this section.
