Effective: September 30, 2021
Legislation: House Bill 110

---

(A) The Ohio occupational therapy, physical therapy, and athletic trainers board shall enforce the laws relating to the practice of orthotics, prosthetics, and pedorthics. If the board has knowledge of a violation, the board shall investigate the violation and notify the prosecuting attorney of the proper county.

(B)(1) Subject to division (B)(2) of this section, information and records received or generated by the board pursuant to an investigation are confidential, are not public records as defined in section 149.43 of the Revised Code, and are not subject to discovery in any civil or administrative action.

(2) For good cause, the board may disclose information gathered pursuant to an investigation to any federal, state, or local law enforcement, prosecutorial, or regulatory agency or its officers or agents engaging in an investigation the board believes is within the agency's jurisdiction. An agency that receives confidential information shall comply with the same requirements regarding confidentiality as those with which the board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency that applies when the agency is dealing with other information in its possession. The information may be admitted into evidence in a criminal trial in accordance with the Rules of Evidence, or in an administrative hearing conducted by an agency, but the court or agency shall require that appropriate measures be taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients, complainants, or others whose confidentiality was protected by the board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court or agency include sealing its records or redacting specific information from its records.
