

## Ohio Administrative Code Rule 111:3-10-05 Subcontracting.

Effective: November 20, 2023

---

If a print vendor subcontracts any part of a board order for mailing materials to be used in an election, the following requirements apply:

(A) The print vendor shall notify the board and secretary of state in writing of the subcontract, include the name, and contact information for the subcontractor, and state which parts of the order the subcontractor will complete.

(B) The subcontractor shall be governed under these rules in the same manner as the print vendor.
