

Ohio Administrative Code Rule 111:3-10-07 Mailing of Absent Voter's Ballots.

Effective: November 20, 2023

(A) The print vendor shall ensure the accuracy and prompt delivery of all mailing materials to the United States Postal Service or board of elections.

(B) The print vendor shall provide the board of elections with information on all types of permits required for the mailing of absent voter's ballots.

(C) Print vendors shall provide to the board information related to the tracking of absent voter's ballots.

(D) The secretary of state may prescribe additional requirements for mailing and tracking of absent voter's ballots by directive.
