

## Ohio Administrative Code Rule 1301:1-1-03 Personal service.

Effective: December 15, 2000

---

(A) Any service required or authorized to be made under section 1121.37 of the Revised Code may, in accordance with that section, be made by personal service by the superintendent of financial institutions or the superintendent's designee.

(B) When service is made by personal service pursuant to this rule, the service shall be evidenced by a written receipt signed and dated at the time of the service by the person upon whom service is made. When service is made by personal service upon a person who is not a natural person, the service shall be made by delivery to the president or secretary or treasurer or cashier or chairman of the board or a vice president of the person and the president, secretary, treasurer, cashier, chairman of the board, or vice president shall sign and date the receipt of service in the officer's official capacity.
