

Ohio Administrative Code Rule 1301:13-7-06 Distribution of grant funds.

Effective: [May 26, 2022](#)

- (A) The superintendent shall review the recommendations of the cemetery grant advisory committee.
- (B) Except as otherwise provided in law or regulation, the superintendent may approve or deny any, all, or a portion of a grant application.
- (C) A grant award agreement, including any special conditions or requested revisions, will be signed by the superintendent and will be sent to all successful applicants to activate the grant award process.
- (D) A successful applicant has forty-five days from the date of the grant award notice to sign and return the grant award agreement. If the division does not receive the signed grant award agreement within forty-five days, or other agreed upon reasonable time after notification, the grant award may be rescinded by the division with a written notice to the applicant. After a successful applicant has timely returned the signed grant award agreement, the grant funds will be processed and disbursed in the name of the successful applicant.
- (E) The division will send written notice to all unsuccessful applicants.
