

Ohio Administrative Code

Rule 3301-44-01 Purpose.

Effective: August 26, 2022

The adult diploma pilot program is established in section 3313.902 of the Revised Code. The program provides job training and a new pathway for adults, ages twenty or older, to earn an industry-recognized credential aligned to one of Ohio's in-demand jobs and a state-issued high school diploma. The program is free to adults.

The adult diploma pilot program permits an approved institution to develop and offer a program of study that allows an eligible participant to complete the requirements for obtaining a high school diploma.
