

## Ohio Administrative Code

### Rule 3335-3-03 Senior vice president for business and finance.

Effective: [September 20, 2022](#)

---

The senior vice president for business and finance shall be the chief financial officer of the university. Under the direction of the president, the senior vice president for business and finance is responsible for the administration of the university's business, financial and administrative operations. Duties, authority and rights are as specified in paragraph (C) of rule 3335-1-03 of the Administrative Code.
