

Ohio Administrative Code

Rule 3335-7-38 Transfers from the tenure-track faculty to research faculty.

Effective: July 12, 2013

A college, school or department may provide for the possibility of transfer from the tenure-track faculty to the research faculty if appropriate to its circumstances and if provided for in the units appointments, promotion and tenure document. A unit that permits transfers must abide by the following:

- (A) The request for transfer must be initiated by the tenure-track faculty member in writing and must state clearly how the individual's career goals and activities have changed.
 - (B) When a tenured faculty member transfers to the research faculty, tenure is relinquished.
 - (C) The school director or department chairperson, the college dean, and the executive vice president and provost must approve all transfers.
