

Ohio Administrative Code

Rule 3335-8-01 Courses and curricula; definition.

Effective: July 26, 2004

(A) A course is the unit of instruction or research through which the educational program of the university is offered to its students.

(B) A curriculum is a program of courses leading to a certificate, a degree, or to entry into a professional college, school or a professional division of a college or a school.
