

Ohio Administrative Code Rule 3357:15-18-06 Financial aid.

Effective: July 14, 2016

The purpose of financial aid is to provide access to higher education through comprehensive services in support of student success:

- (A) To provide high quality, efficient, and courteous services to the college community;
 - (B) To assist students with self-sufficiency by promoting the use of mystate for general information and self-service;
 - (C) To keep abreast of changes in federal, state, and institutional policies and procedures;
 - (D) To meet Ohio department of higher education and U.S. department of education reporting deadlines;
 - (E) To provide data to administration, faculty, staff, and students to assist with minimizing student violations of academic progress; and
 - (F) To provide appropriate information to the college community to allow for future interventions regarding student loan defaulters.
-
