

## Ohio Administrative Code

### Rule 3361:30-23-01 Grievance: policy for unrepresented classified and unclassified employees.

Effective: July 15, 2012

---

(A) It shall be the policy of the university of Cincinnati to provide a uniform set of procedures to be applicable to unrepresented classified and unclassified employees who seek redress for grievances arising from working relationships, terms and conditions of employment, working conditions, employment practices, differences of interpretation of policy which might arise between the university and such employees, and acts of discrimination.

(B) The grievance procedures shall be detailed in human resources policies and procedures.
